# B90 CHICKPEA

Saskcan Pulse Trading is proud to offer the B90 Chickpea, the preferred chickpea for canners and hummus manufacturers around the world. Available exclusively from Saskcan Pulse Trading, the B90 Chickpea is one of the best-processing chickpeas in the market today, featuring unique hydration properties that plump to an attractive size while maintaining the B90's firmness and deep colour.

## UNIQUE HYDRATION PROPERTIES

The B90 Chickpea features a condensed size that quickly expands to the internationally preferred calibre when hydrated, allowing buyers to ship greater volumes of product at a more efficient cost than larger-calibre varieties. The B90's smooth, dry appearance expands to take on the traditional appearance and shape of kabuli chickpeas when hydrated, a feature unique to the B90 Chickpea. Consumers favour the B90's richer and sweeter taste and impressive pearly colour, making it the preferred chickpea in the international marketplace.

The B90 Chickpea is offered in Sortex quality and is packaged in a premium quality 25 or 50 kilogram laminated polypropylene bag.

Contact Saskcan Pulse Trading for information and pricing on the B90 Chickpea.

The B90 Chickpea is offered exclusively by Saskcan Pulse Trading, a division of Alliance Grain Traders Inc. (TSX:AGT), one of the largest lentil and pea splitting companies in the world. As a trusted source for value-added processing of pulses and staple foods, we buy lentils, peas, beans and chickpeas from farmers around our facilities located in the best pulse growing regions in Canada, the United States, Turkey, Australia, China and South Africa and ship them to over 100 countries around the globe. From our facilities in Turkey, the Arbel Group, we produce staple foods such as Arbella Pasta, rice, and milled wheat products, including bulgur and semolina. We also produce a full range of PulsePlus™ food ingredients through our subsidiary AGT Foods. We create value for producers, quality products for our customers and growth for our shareholders.

Find Alliance Grain Traders Inc. on the TSX under the symbol AGT.

The image shows the Saskcan Pulse Trading logo at the top, featuring a stylized 'S' and the text 'Saskcan PULSE TRADING' and 'From Producer to the World'. Below the logo is a large image of B90 chickpeas. A white bowl filled with B90 chickpeas is shown in the foreground, with a wooden spoon resting inside. The text 'B90' is overlaid on the chickpeas in a large, stylized font. At the bottom, the text 'B90 chickpea' is displayed in a bold, black font. The background of the entire image is red.
