Cautionary Statements

Certain statements in this press release are forward-looking statements. The reader is cautioned that assumptions used in the preparation of such information, although considered reasonable by AGTI at the time of preparation, may prove to be incorrect. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of AGTI (including its operating subsidiaries) to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such risks and uncertainties include, among others, the actual results of harvests, fluctuations in the price of lentils and other crops, failure of plant, equipment or processes to operate as anticipated, accidents or labour disputes, risks relating to the integration of acquisitions or to international operations as well as those factors referred to in the section entitled "Risk Factors" in the Annual Information Form of AGTI dated March 30, 2010 which is available on SEDAR at www.sedar.com, and which should be reviewed in conjunction with this document. Although AGTI has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. AGTI expressly disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except in accordance with applicable securities laws.
