

From Producer to the World™

AGT ABOUT AGT FOODS

AGT Foods is a leading manufacturer of plant-based ingredients for premium markets and food companies around the world. From our facilities in Minot, ND, USA and Regina, SK, Canada, we produce **nutritious, non-GMO, gluten-free and non-allergenic ingredient products**, including pulse flours, proteins, fibres, V-6000™, de flavoured flours and crumb, as well as extruded products such as texturized pulse protein (TPP) and gluten-free pasta. We provide **quality solutions** for the global food marketplace.

PULSE+ TEXTURIZED PLANT PROTEIN (TPP)

Texturized Plant Protein (TPP) is made of the protein fraction of dehulled pulses, including peas and faba beans, which has been texturized into a finished product ready for any food formulation.

TPP is a 100% plant-based solution for meat replacement and extension applications, snack foods, and other unique products for mainstream and alternative markets.
