

PULSE INGREDIENTS PRODUCT LIST

ABOUT AGT FOODS

AGT Foods is a global leader in value-added processing of pulses and staple foods and a leading supplier of ingredients derived from pulses, including flours, proteins, fibres and starches, for premium food markets and food companies around the globe.

We produce **nutritious, non-GMO, gluten-free, allergen-reduced** and **plant-based pulse ingredient products** at our flagship ingredient production facilities in North Dakota and Saskatchewan, which feature **deflabouring** and **extrusion** capabilities. We provide **quality solutions** for the global food marketplace.
