CO-MANUFACTURED PASTA PRODUCTION

AGT[™] FOODS

AGT[™] ABOUT AGT FOODS

AGT Foods is a global leader in value-added processing of pulses and staple foods and a leading supplier of ingredients derived from pulses, including flours, proteins, fibers and starches, for premium food markets and food companies around the globe.

At our flagship ingredient production facilities in North Dakota, we produce **nutritious, non-GMO, gluten-free, allergen-reduced** and **plant-based pulse ingredient products**, which are then extruded into high-quality **pasta products** for retail and foodservice markets.

AGT Foods offers a full range of **co-manufacturing and packaging solutions** to fit the needs of our clients, including **private label production, custom product formulations, bulk product offerings** and more. We provide **quality solutions** for the global food marketplace.

VERTICAL SUPPLY CHAIN

AGT Foods sources crops from nearby farmers, processes them locally, and produces quality finished products in our own facilities, ensuring quality products and controlled costs.

PACKAGED TO CUSTOMER SPECS

AGT Foods offers packaging to meet the needs of our customers, including bulk, bagged, palletized and toted products, as well as the ability to pack directly into customer retail packaging using our modern packaging line.

CUSTOM SHAPES AND INGREDIENTS

Products can be made in a wide variety of common and custom shapes and produced from multiple gluten-free sources, including pulses, vegetables and more.

HIGH QUALITY CERTIFICATIONS

AGT Foods' facilities are certified by leading industry bodies, including Gluten-Free, Non-GMO Project, Kosher, Halal and more. We produce **clean label** products for our customers.
