About AGT
AGT is a globally diversified food company that produces high-quality, nutritious products for everyday consumption. Our products reach consumers in 127 countries, and our global footprint consists of 39 state-of-the-art, highly efficient manufacturing facilities operating across 5 continents. These facilities are strategically located near critical freight and logistics infrastructure and in close proximity to key agricultural growing regions, which provides us with the ability to efficiently source, process, and produce healthy plant-based food products that are both tasty and affordable. Our integrated supply chain utilizes the latest manufacturing technologies, allowing us to produce a growing portfolio of packaged food brands in everyday categories including pasta, pulses, rice, and cereals. In addition, we are an integral partner to many global packaged food companies and international retailers through production, supply, and innovation partnership agreements to manufacture proprietary, value-added products for their owned global and store brands.
